## Annex 1

### THE REPRESENTATION OF THE ALPS-ADRIATIC-ALLIANCE-LOGO

The Alps-Adriatic-Alliance took over the logo of the Alps-Adriatic Working Community. The official logo of the Alps-Adriatic Working Community was selected from 70 competition entries and invoked by the Plenary Assembly of the Working Community in Graz on Sept. 23<sup>rd</sup> 1980. The alteration in stroke as a result of introducing the Hungarian marking came as a result of a resolution by the Commission of Executive Officers on Sept. 4<sup>th</sup> 1991 in Bad Ischl (Upper Austria). The characteristics required for correct reproduction are given below.

The logo of the Working Community in the five member languages is formed by a rectangular frame with rounded corners laid parallel to the edges of the page, with the characters placed within.

The upper horizontal text is ALPEN-ADRIA, whilst the text ALPE-JADRAN is placed twice in succession, above the upper right-hand corner running from the right-hand vertical side and over the lower right-hand corner approximately to the centre of the lower horizontal side, with additionally the text ALPE-ADRIA over the lower left-hand corner and additionally to that the text ALPOK-ADRIA covering the left vertical side reaching into the upper left-hand corner.

The two jigsaw puzzle pieces lie within the above-mentioned frame and are interlocked. They run diagonally from the upper right to the lower left.

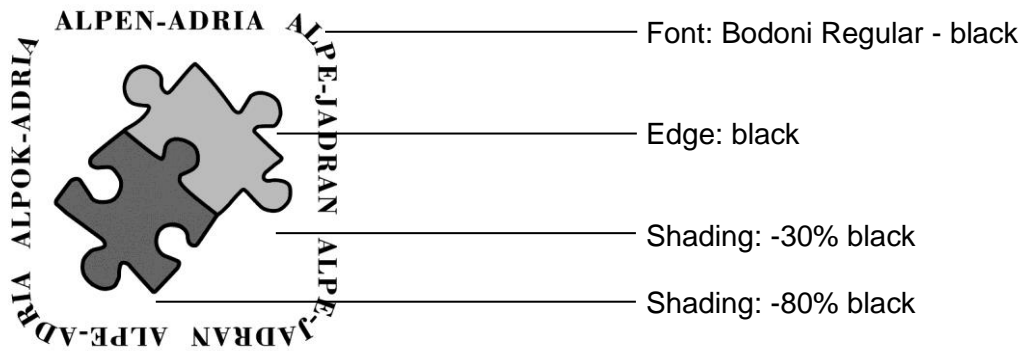

The upper jigsaw piece has single protrusions facing its three free sides and a cavity on the side towards the second jigsaw piece. The lower jigsaw piece has cavities on both lateral sides and protrusions on the upper and lower sides.

The logo may be depicted in black & white or in colour.

Dimensional alterations or depiction in negative are to be accomplished by photographic methods.

All bodies of the cooperation network can obtain the logo at the General Secretariat of the Alps-Adriatic-Alliance at the Carinthian Regional Government Office: Amt der Kärntner Landesregierung, A-9021 Klagenfurt, AUSTRIA, Tel. (+43) 5 0536-10134, email: post.alpeadria@ktn.gv.at, Fax: (+43) 5 0536-10130.

## Annex 2

### Implementation Guidelines for Projects Financially Supported by the AAA

#### 1. General requirements for all project applications

- Projects financed by the AAA must involve the minimum of three regular members of the AAA from three different countries.
  - All small-scale projects must support the Priority 2.3 “Strengthen Community Cohesion” (see pp. 59/60 of “SAA – 2027”)
  - All members must have the opportunity to be part of a AAA-project.
  - The number of involved regular members of the network should be a qualitative indicator which means that the role of each partner should be described in the application. The more regular members are involved as active partners in the project, the greater its chances of approval by the Steering Committee.
  - The expectable added value of the project for the entire AAA must be clearly described in the application form and is subject to evaluation after the project is completed.
  - The number of expectable active partners/participants/multipliers in the project itself respectively the number of people which can be reached by the project (participants, multipliers, visitors etc.) is essential.
  - In every publication of the project financed by the AAA it should be mentioned and visible (at least by displaying the AAA-logo) that the project is subsidized by the AAA.
  - For preparation costs in order to submit a project within an appropriate EU-program: If the relevant EU-program offers the possibility to include the preparation costs within the financial declaration of the EU-project, the project-holder has to return the preparation subsidy given by the AAA (in order to avoid duplicate funding).
2. For any application the form which is issued by the Steering Committee has to be used. The applicants have to ensure that the application forms are filled in in English language and that they are sent to the appropriate TCP respectively to the General Secretariat. The decision of granting a subsidy is made by the Steering Committee.
  3. The head of the General Secretariat as chairperson of the Steering Committee shall notify the applicant of the decision of the body.
  4. The recipient who is granted a subsidy from the joint project budget has to submit a statement to the General Secretariat specifying the use of funds on the basis of invoice documents. This settlement is checked by the General Secretariat.
  5. The payment of the subsidies by the General Secretariat can be made only after completion of the project and upon presentation of the original invoices.
  6. If the subsidy granted is not claimed after expiration of the project period indicated in the application for funding, the General Secretariat shall submit a proposal to lift or extend the commitment to the Steering Committee after prior information of the applicant.
  7. All applications remaining in the competition according to Point 4.3.3. have to be forwarded to the General Secretariat by the TCPs no later than two weeks before the meeting of the Steering Committee, so that these applications find their way into the meeting documents. The submission deadline is announced on the website of the Alps-Adriatic Alliance ([www.alps-adriatic-alliance.org](http://www.alps-adriatic-alliance.org)). Untimely or incomplete

applications shall be excluded.
